## Delivery mode

This course is delivered on campus as an interactive four-hour workshop.

The course is structured around the four key skill areas of the IELTS:

Reading, Writing, Listening, Speaking.

Contact our Admissions team to find out session times.

## Course Description

This non-award examination preparation course prepares students for sitting the International English Language Testing System (IELTS), which is essential for anyone who intends to study, work or settle in Australia. It is used for a variety of purposes including (but not limited to):

- University admissions
- Professional accreditation bodies in many fields of employment
- For migration and visa purposes by immigration
- Work and business purposes

Students must be at a minimum Intermediate level or above to join the program.

## Benefits of Completing Our IELTS Exam Preparation Course

Our IELTS Preparation allows students to:

-  Develop confidence in using English in the workplace and social settings
-  Improve their English vocabulary and comprehension
-  Develop a sound understanding of the test format (both General and Academic)
-  Work with a suitably qualified instructor
-  Practice different types of test questions
-  Get access to excellent online student course resources through our Student Portal
-  Learn study techniques for all four papers (Reading, Writing, Listening, Speaking)
